# 2010-11 SEASON IN REVIEW

Competing in 13 events including the NCAA championships, the Ohio State women's golf team concluded the 2010-11 season with an overall mark of 120-83. Carding six Top 5 finishes, the Scarlet and Gray finished the year in the No. 30 slot of the Golfweek/Sagarin ratings.

The Buckeyes opened the fall slate with a second-place finish at the Branch Law Firm/Dick McGuire Invitational Sept. 17-18 in Albuquerque, N.M. Leading the charge was sophomore co-captain Rachel Rohanna who tallied a career-low 7-under 212 en route to a runner-up finish. From there, the Buckeyes would maintain their momentum with back-to-back third-place finishes at the William K. Warren Irish Invitational (Oct. 2-3) and Lady Northern Invitational (Oct. 11-12) before concluding fall play in ninth at the Landfall Tradition (Oct. 22-24).

Teeing off against current and former LPGA professionals, that Buckeyes had the opportunity to dust off the cobwebs with an alumni match-up in West Palm Beach, Fla., before hosting their own 16th-Annual Northrop Grumman Regional Challenge Feb. 14-16 in Palos Verdes, Calif. Concluding the competitive tournament in ninth, the Buckeyes continued to improve at the Central District Invitational (Feb. 21-22) and SunTrust Gator Women's Golf Invitational (March 6-7) with seventh and third-place finishes, respectively.

Spending time in the south, the squad was eighth at the Bryan National Collegiate (March 25-27) in Greensboro, N.C., before facing a quick turnaround and heading to Athens, Ga., for the Liz Murphey Collegiate Classic where the Buckeyes were 16th. Led by Rohanna and junior Vicky Villanueva who tied for 13th, the pair led the Buckeyes to a fourth-place finish at their own Lady Buckeye Spring Invitational April 16-17 to wrap the regular-season schedule.

In the postseason, Ohio State carded a fifth-place finish at the Big Ten Championships led by a trio of Buckeyes who tied for 11th. For their performance, Rohanna and Villanueva earned Second Team All-Big Ten accolades, while senior co-captain In Hong Lim received the 2011 Sportsmanship Award. Making their 17th-consecutive regional appearance, the Buckeyes earned a slot on the NCAA Championship lineup when they finished sixth in the 24-team field led by Rohanna who was an All-Regional Team selection after tying for eighth. At nationals, Ohio State capped its season with a 21st-place finish amongst the nation's best.

For her efforts throughout the season, Villanueva was selected as the Ohio State Player of the Year and the Most Improved Player. The Chacabuco, Argentina, native also posted the squad's lowest stroke-average with a 75.68 through 38 rounds. Rohanna and sophomore Amy Meier were recipients of the Go Bucks Award, while Meier, Villanueva, Rohanna, Lim, Nara Shin and Susana Benavides were Ohio State scholar-athletes.

Nationwide Tour's Nationwide Children's Hospital Invitational

# THE SCARLET COURSE AT A GLANCE

## HOLE 1, PAR 4, 384 YARDS

The beginning of the three toughest starting holes anywhere in golf. A dogleg right with bunkers guarding the right side of the fairway and green.

## HOLE 2, PAR 4, 389 YARDS

A tough driving hole with woods on the right and two bunkers on the left. A good drive will leave a long iron to right-to-left sloping green.

## HOLE 3, PAR 4, 375 YARDS

A dogleg left requires a well-placed drive to the right side of the fairway. The massive greenside bunker on the left and a deep bunker on the right will challenge the golfer into the green.

## HOLE 4, PAR 5, 453 YARDS

A large fairway bunker on the left must be avoided off the tee. The second shot must avoid the lake down the right and the green is well bunkered. A long drive could enable the golfer to reach the green in two with an aggressive line over the water.

## HOLE 5, PAR 3, 159 YARDS

A strong par 3 guarded by two deep front bunkers. A large green will yield to good shots.

## HOLE 6, PAR 5, 528 YARDS

The longest par 5 doglegs slightly to the right. Two huge bunkers must be avoided off the tee. The second shot must stay clear of a deep fairway bunker on the right. A large green surround by bunkers could lead to a birdie with a good third shot.

## HOLE 7, PAR 4, 356 YARDS

A tough hole with a narrow fairway is guarded by a long, deep bunker down the left of the fairway. A well-guarded bunkered green awaits a short-iron approach.

## HOLE 8, PAR 3, 146 YARDS

A picturesque par 3 over water. A well-bunkered green also will play havoc with the iron shot to the green.

## HOLE 9, PAR 4, 354 YARDS

A straightaway hole with fairway bunkers on the left and right will keep the drives honest. A short to middle iron is required for the approach to the green surrounded by bunkers on the right and left.

## HOLE 10, PAR 4, 382 YARDS

A good driving hole which doglegs slightly to the left. The left side of the fairway is guarded by the "O-S-U" bunkers. A middle to long iron is required to hit the green.

## HOLE 11, PAR 4, 384 YARDS

A strong dogleg left to a plateau fairway. A gully and bunkers on the left, trees and deep rough on the right. An ideal drive will stop in the right center of the fairway. The long iron second is framed by mounds left and a steep banked trap on the right. The green is flat and large.

## HOLE 12, PAR 5, 487 YARDS

A short par 5 with lots of trouble. A creek and an elevated green are problems when trying for the green in two shots. Most players lay up short of the creek on their second shot and hit a wedge to well-bunkered green.

## HOLE 13, PAR 3, 154 YARDS

The most picturesque hole on the course has water in front of the green and well-placed bunkers to catch stray shots.

## HOLE 14, PAR 5, 465 YARDS

The driving area is guarded by a bunker left and a series of mounds on the right. The green is long and narrow and guarded by large bunkers front right and back left of the green.

## HOLE 15, PAR 4, 361 YARDS

A dogleg left with trees and a bunker on the left of the driving area. A middle or long iron is needed to hit the wellbunkered and usually firm green. A par here will usually pick up strokes on the field.

## HOLE 16, PAR 4, 327 YARDS

A 90-degree dogleg left with a water hazard on the left and trees on the right. A demanding tee shot is required. The green is the most severe on the course.

## HOLE 17, PAR 3, 160 YARDS

An uphill tee shot with two bunkers guarding the green and out of bounds to the left. The green is one of the most severe on the course. Players want to be short of the hole to have an uphill putt.

## HOLE 18, PAR 4, 364 YARDS

A dogleg left hole. A classic finishing hole going back into the clubhouse. A long tee shot is required to get around the corner for a clear shot to a well-bunkered green.

# NCAA TOURNAMENT HISTORY

## WOMEN'S NATIONAL COLLEGIATE HISTORY MADE AT OHIO STATE

In 1940, Gladys Palmer was the head of the Health and Physical Education Department at The Ohio State University. She was a woman of tremendous vision for women's sports in general, but particularly for the game of golf. Meeting great resistance from many sides, she was determined to coordinate a women's national championship for golf. With the assistance of staff members, including Dr. Mary Yost, an outline for the formation of a national organization which would sponsor and control intercollegiate competition for women was compiled. The outcome of her efforts was the first national championship for all of women's collegiate sports, the 1941 Women's National Golf Championship on the OSU Scarlet Course.

Much credit for this first championship went to L.W. St. John, Director of Athletics, who completely supported Palmer and her staff. Each institution could be represented by a maximum of four players. Fees for the tournament were \$5. This fee included transportation to and from the golf course and all green fees.

The national championship was held by various institutions until 1973 when the Association of Intercollegiate Athletics for Women (AIAW) was formed. The AIAW conducted the National Championship through 1982 when dual championships were conducted. The final AIAW National Championship was hosted by Ohio State in 1982 and the first NCAA Championship was hosted that year at Stanford. The NCAA has conducted the annual championship since 1982.

### OHIO STATE WOMEN'S NATIONAL COLLEGIATE TITLES: 1947, 1949, 1950, 1951, 1952

The teams consisted of two-person teams. The team winners were determined by the low two participant scores at the end of the first round of play.

## WHAT IS A BUCKEYE?

A small, shiny, dark brown nut with a light tan patch that comes from the official state tree of Ohio, the buckeye tree. According to folklore, the Buckeye resembles the eye of a deer and carrying one brings good luck. "Buckeyes" has been the official Ohio State nickname since 1950, but it had been in common use for many years before.

The first recorded use of the term Buckeye to refer to a resident of the area was in 1788, some 15 years before Ohio became a state. Col. Ebenezer Sproat, a 6-foot-4-inch man of large girth and swashbuckling mannerisms, led the legal delegation at the first court session of the Northwest Territory in Marietta. The Indians in attendance greeted him with shouts of "Hetuck, Hetuck" (the Indian word for buckeye), it is said because they were impressed by his stature and manner. He proudly carried the Buckeye nickname for the rest of his life and it gradually spread to his companions and other local settlers. By the 1830s, writers were commonly referring to locals as "Buckeyes."

# MAKING GREAT PLAYERS ELITE ATHLETES

## SPEED, POWER, STRENGTH

Ohio State student-athletes benefit from a comprehensive and individualized strength and conditioning program designed to ensure the highest possible level of physical readiness.

Anthony Glass, director of athletics strength and conditioning for Olympic sports, and staff provide instruction specific to the individual, both in and out of season, and in collaboration with the Ohio State training and medical staffs.

Glass and his staff challenge the Buckeye contingency even further in the weight room in the areas of leadership, work ethic, attitude and ability with an annual Buckeye Power Club Award. Athletes from each varsity team who exemplify the highest levels of achievement are honored at the end of each school year with the award and in turn become eligible for National Strength and Conditioning Association All-America honors.

## FIRST CLASS PHYSICIANS

Dr. Chris Kaeding is the head team physician for the Ohio State Department of Athletics and also serves as co-director of the OSU Sports Medicine Center. Dr. Kaeding oversees a staff of the finest sports medicine physicians, surgeons, dentists and counselors who monitor the overall well-being of each student-athlete on a year-round basis.

Assistant athletics director of sports performance Janine Oman and head athletic trainer Doug Calland help lead the athletic training staff made up of veteran athletic trainers Angie Beisner, Mary "Sam" Laingen, Chalisa Fonza, Vince O'Brien, Katrina Stibel, Bob Sweeney and Alex Wong. This group forms one of the most highly respected sports medicine staffs in all of college athletics. The entire staff works extremely hard in the areas of injury prevention, treatment and rehabilitation and has an excellent resource in the OSU Medical Center to accomplish this goal. The OSU Athletic Training staff has worked in every major collegiate conference, the high school, professional and Olympic levels.

Ohio State's athletic training curriculum program is housed in the School of Allied Medical Professions and is considered one of the top undergraduate programs in the country. Buckeye student-athletes benefit from having these dedicated students assisting the staff. An athletic training student is assigned to each team, allowing someone from the athletic training staff to be present at every practice and game. Additionally, the athletic training staff hosts several seminars and workshops covering a variety athletic training and sports medicine topics throughout the year.

# OHIO STATE TRADITIONS

## BUCKEYE LEAVES

A round white decal, about the size of a quarter, with a green depiction of a buckeye leaf is applied to Ohio State football helmets for big plays and consistency on the field. This tradition started in 1968 when football coach Woody Hayes and longtime trainer Ernie Biggs changed the look of the Ohio State uniforms. Many of the sports at Ohio State incorporate Buckeye Leaves into their equipment and uniforms.

## SCRIPT OHIO

The signature formation of the Ohio State University Marching Band performed before, during halftime or after home football games is Script Ohio.

Each time the formation drill is performed, a different fourth- or fifth-year sousaphone player has the privilege of standing as the dot in the "i" of "Ohio."

At exactly 16 measures from the end of "Le Regiment," the drum major struts out toward the top of the "i," with a senior sousaphone player high-stepping a couple of paces behind. As the crowd's cheering crescendos, the drum major stops and dramatically points to the spot where the sousaphone player then assumes the post of honor, doffs his or her hat and bows deeply to both sides of the stadium.

Woody Hayes, Bob Hope and Jack Nicklaus are among the select few non-band members who have had the honor of dotting the "i."

First performed at the OSU-Pittsburgh football game Oct. 10, 1936, Script Ohio was named one of Athlon Sports' 10 Greatest Football Traditions in 1999.

## BRUTUS BUCKEYE

One of the more visible symbols of Ohio State athletics is Brutus Buckeye, the school's mascot. In 1965, an art student designed and introduced the first Brutus, while the name was chosen in a contest. The mascot began as a hardened paper mache affair that looked like a bowling ball with legs. In 1975, a radical new Brutus was designed with a prune-like head and a man's body. That attempt was booed off the field and was re-worked, giving way to a mascot comparable to the beloved present-day Brutus.

The original choices for Ohio State's mascot included a ram, an elk, a moose and the leading candidate, a male deer. Due to the skittish nature of deer, the idea of a mascot was tabled until January 1941 when "Chris," a German police dog owned by an assistant cheerleader, made an appearance at a basketball game. The dog's career was short-lived and OSU remained without an

## SCHOOL SONGS

Ohio State proudly boasts an alma mater (Carmen Ohio), two fight songs (Across the Field and Buckeye Battle Cry) and a state rock song (Hang on Sloopy).

## BUCKEYE BATTLE CRY

In old Ohio there's a team  
that's known thru-out the land;  
Eleven warriors, brave and bold,  
whose fame will ever stand.  
And when the ball goes over,  
our cheers will reach the sky,  
Ohio field will hear again  
The Buckeye Battle Cry –

Drive! Drive on down the field,  
Men of the scarlet and gray;  
Don't let them thru that line,  
We have to win this game today,  
Come on, Ohio!  
Smash through to victory.  
We cheer you as you go:  
Our honor defend  
We will fight to the end for O-hi-o.

## ACROSS THE FIELD

Fight the team across the field,  
show them Ohio's here  
Set the earth reverberating  
with a mighty cheer Rah! Rah! Rah!  
Hit them hard and see how they fall;  
Never let that team get the ball,  
Hail! Hail! the gang's all here,  
So let's win that old conference now.

### SCARLET AND GRAY

Ohio State's official school colors since 1878, scarlet and gray were chosen by a group of three students in a lecture room in University Hall because "it was a pleasing combination ... and had not been adopted by any other college," noted selection committee member Alice Townshend Wing.

### TBDBITL

"The Best Damn Band in the Land" is the 225-member, all-brass Ohio State University Marching Band that formed in 1879 as a military band. Also known as "The Pride of the Buckeyes," the band perhaps is best known for the incomparable Script Ohio. Another band tradition of note is the "skull session," a warmup concert/pep rally in St. John Arena, open to the public before every home football game that allows the band to play and "think through" the show one last time. More than 10,000 fans regularly attend each skull session.

### CHEERLEADERS

Buckeye cheerleaders are a constant source of support at all athletics events. The squad took second at the 2001 College Cheerleading National Championship, its highest finish since winning the 1993 title, and has placed first in the northeast region in 19 of the last 21 years. The squad was 15th at the 2008 national championships. The cheerleaders make

## CARMEN OHIO

Oh! Come let's sing Ohio's praise, And songs to Alma Mater raise;  
While our hearts rebounding thrill, With joy which death alone can still.  
Summer's heat or Winter's cold. The seasons pass, the years will roll;  
Time and change will surely show, How firm thy friendship O-HI-O.

# ASSOCIATE VICE PRESIDENT/DIRECTOR OF ATHLETICS

# GENE SMITH

Gene Smith is in his fifth year as director of athletics at The Ohio State University. He was named to his current position on March 5, 2005. On March 17, 2008, Gordon Gee, president of The Ohio State University, promoted Smith to university assistant vice president/director of athletics and he has since been named associate vice president/director of athletics.

Smith is the eighth person to hold the athletics director position at Ohio State and the first African-American to do so. He previously served as director of athletics at Arizona State, Iowa State, and Eastern Michigan Universities, and is entering his 24th year in the role.

At Ohio State, the 53-year old Smith oversees one of the nation's largest and most successful college athletic programs. The Buckeyes have 36 fully-funded varsity sports and more than 1,000 student-athletes. The department of athletics is completely self supporting and receives no university funds, tax dollars or student fees. In fiscal year 2008-09, the department transferred nearly \$26 million in assessments to the university, including more than \$13 million in grant-in-aid reimbursement. In Smith's first three years at Ohio State, the department of athletics finished in the black financially and increased its reserve fund.

Upon arriving at Ohio State, Smith quickly established himself as a respected and thoughtful leader, both within the university and the community. In the spring of 2007, he unveiled a five-year strategic plan, reflecting the department's goals and values. The strategic planning process, inclusive of the entire department, emphasized the development of the total student-athlete.

Under Smith's leadership, The Ohio State Department of Athletics was honored in the spring of 2008 with the Diversity in Athletics Award in the category of Overall Excellence in Diversity. Smith accepted the honor at the 43rd annual National Association of College Directors of Athletics Convention in Dallas.

Shortly after Ohio State was honored as a department for its dedication to diversity, Smith was individually recognized for his contribution to the sport of football.

The National Football Foundation & College Hall of Fame, announced in June of 2008 the recipients of the NFF's 2008 Major Awards. Smith was honored officially Dec. 9, 2008 in New York with the John L Toner Award. Presented annually, the Toner Award is given to a director of athletics who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football.

Smith was recently appointed to the Governing Board of Trustees of the Lincoln Theatre Association. He was named to the position by the Franklin County (Ohio) Board of Commissioners. It is a three-year appointment effective March 10, 2009.

Nationally, Smith is involved with USA Basketball as a member of the Finance & Audit Committee. That appointment was made March 25, 2009. The Finance & Audit Committee is responsible for making recommendations to the Board regarding the organization's financial investments, reviewing independent auditors for USA Basketball and, if necessary, oversight, implementation and compliance with the USA Basketball Code of Ethics.

Smith has an exemplary record of national leadership and service. In 2007, he served as president of the Division 1-A Athletic Directors Association. He is entering his third year on the prestigious NCAA Men's Basketball Committee and was appointed chair of the committee for the 2010-11 academic year, with his term as chair beginning Sept. 1, 2010. Smith was recently named to the newly created Basketball Academic Enhancement Group, a 27-member panel charged with developing strategies to enhance academic performance and graduation rates in Division I men's basketball.

Smith is past president of the National Association of Collegiate Directors of Athletics (NACDA) and was that organization's first African-American president. He also has served on the NCAA Management Council, the NCAA Committee on Infractions, the NCAA Executive Committee, the NCAA Football Rules Committee, the President's Commission Liaison Committee, the NCAA Baseball Academic Enhancement Task Force, and the National Football Foundation Honors Court, among others.

In recognition of his service, Smith was named by Black Enterprise Magazine as one of the "50 Most Powerful African American in College Sports." In 2007, he was named to NACDA's inaugural "Legends Class," and was also named Athletic Administrator of the Year by the Black Coaches Association (BCA). In 2002-03, he received NACDA's AD of the Year honors for the Division 1-A West Region.

Smith grew up in Cleveland, Ohio, and attended the University of Notre Dame on a football scholarship. He played four years of football as a defensive end for the Irish and was a member of the 1973 Associated Press national championship team. Smith received his bachelor's degree in business administration from Notre Dame in 1977. Following graduation, he joined the Notre Dame coaching staff under Dan Devine and remained in that capacity until 1981. The 1977 Notre Dame team captured the undisputed national championship.

Smith left Notre Dame following the 1981 season to accept a marketing position with IBM. He returned to college athletics in April of 1983 as assistant athletics director at Eastern Michigan University. In 1985, he was appointed as interim director of athletics at Eastern, a position he held until 1986 when he became the director on a full-time basis.

In 1993, Smith was named director of athletics at Iowa State University. He moved to Arizona State as director of athletics in 2000.

As a former college athlete and coach, Smith is passionate about the well being of student-athletes. "We want to create an environment for our student-athletes to be successful academically, athletically and socially," he says. "The student-athlete experience provides teachable moments that prepare young women and men for success in life."

Smith is active in the Columbus community and is a member of the board of the YMCA of Central Ohio. He also is active with the Bell Center for African American males on Ohio State's campus.

Gene and his wife, Sheila, have four children: Matt, Nicole, Lindsey and Summer, and two grandchildren: Marshall and Steele. Sheila, a 1976 Canadian Olympian in basketball, holds a doctorate in higher education administration and is an associate vice president for development at Ohio State.

## JAMES E. DELANY

### Big Ten Conference Commissioner

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany enters his 21st year in that role. He has led the Big Ten through significant periods of change and growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality athletic and academic experiences for young people.

## STUDENT-ATHLETE OPPORTUNITIES

- Big Ten universities provide approximately \$100 million in direct financial aid to more than 8,500 men and women student-athletes who compete for 25 championships, 12 for men and 13 for women.
- Conference institutions sponsor broad-based athletic programs with more than 270 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.

## TOP ACADEMIC INSTITUTIONS

- Big Ten universities are members of the nation's only conference whose constituency is entirely composed of institutions that are members of the AAU, a prestigious association of major academic and research institutions in the United States and Canada.

## MORE TELEVISION EXPOSURE

- The Big Ten's media agreements with CBS Sports, ABC/ESPN, the Big Ten Network and CBS College Sports Network provide the conference with its greatest television exposure ever.
- In 2006, the Big Ten created the first national conference-owned television network devoted to the athletic and academic programs of a single conference. The Big Ten Network launched on Aug. 30, 2007, and became the first new network in cable or satellite television history to reach 30 million homes in its first 30 days. The Big Ten Network is now available to more than 70 million homes nationally through agreements with more than 250 cable/satellite affiliates and appears in 23 of the top 25 national media markets.
- Since the current media agreements began in 2007-08, every home football and men's basketball game has been produced while women's basketball has received more coverage than any other conference.
- The Big Ten's new media agreements have resulted in the broadcast of more than 500 events nationally and regionally on an annual basis, compared to 300 events in the final year of the previous agreements.

## NATION'S BEST FANS

- Big Ten fans are some of the nation's most supportive, with more than 8.7 million patrons attending conference home contests during the 2008-09 seasons for football, men's and women's basketball and volleyball alone.
- Over the last 31 seasons, the conference has ranked either No. 1 or No. 2 nationally in football, men's basketball and wrestling attendance. For the past 17 seasons, women's basketball has been ranked either No. 1 or No. 2 nationally in attendance.
- Big Ten institutions have more than 4.2 million living alumni and over 300,000 undergraduate students attending their universities.

The Big Ten Conference is a union of 11 world-class academic institutions who share a common mission of research, graduate, professional and undergraduate teaching and public service. The conference's 100-plus years of history, strong tradition of competitive intercollegiate athletic programs, vast and passionate alumni base, and consistent leadership in innovations position the Big Ten and its entire community firmly on the Big Stage.

The Big Ten has sustained a comprehensive set of shared practices and policies that enforce the priority of academics and emphasize the values of integrity, fairness and competitiveness in all aspects of its student-athletes' lives, with the ultimate goal of ensuring that each individual has the opportunity to live a Big Life.

## SUCCESSFUL PROGRAMS

- During the 2008-09 season, the Big Ten claimed five team national championships, including titles for Iowa wrestling, Penn State fencing and women's volleyball, Northwestern lacrosse and Wisconsin women's ice hockey. In addition, Big Ten teams finished as the national runners-up in men's basketball and men's gymnastics.
- Big Ten teams have claimed at least three national titles in nine of the last 10 seasons (1999-2000 through 2008-09). Over the last decade, the Big Ten has produced team national crowns in the sports of basketball, cross country, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, soccer, softball, synchronized swimming, tennis, track and field, volleyball and wrestling.

## LEADERSHIP IN GENDER EQUITY

- Since 1992, the Big Ten has shown a strong commitment to increasing opportunities for women in sports and exposure of women's athletics by establishing a multi-phased gender equity program. In that time, the Big Ten has created in excess of 2,000 new opportunities for women student-athletes and established 28 new women's teams, while expanding the number of women's championships to 13 by adding field hockey, soccer and rowing.
- As part of the gender equity action plan, the Big Ten was the first conference to voluntarily adopt male/female participation goals for student-athletes in 1992. The Big Ten initiated a five-year plan for conference members to commit to a 60 percent/40 percent male-to-female student-athlete participation ratio. This was achieved as a conference by 1997 and 2000 was the first year that all institutions individually met this goal. As part of its commitment to gender equity, the Council of Presidents/Chancellors annually monitors this policy. During the 2007-08 year, all institutions were in compliance and the conference averaged a 52/48 male-to-female participation ratio.

## BUILDING THE FUTURE

- In 1989, the Big Ten created a community outreach program—SCORE (Success Comes Out of Reading Everyday), which partners the conference with two Chicago elementary schools to improve reading performances. What began with one school, two grade levels and five classrooms has grown in its 20th year to include grades kindergarten through eighth, encompassing all classes and students at Melody School and Louis Armstrong School.
- Following the national tragedy on Sept. 11, 2001, the Big Ten, through its intercollegiate athletic department revenues, pledged a \$1 million scholarship contribution to assist the families of those affected by the terrorist attacks. The conference's donation is called the "Big Ten 9-11 Scholarship Fund", and the \$1 million contribution will be drawn from conference reserves which are generated as a result of football and men's basketball participation in NCAA, bowl and regular-season television opportunities.
- The Big Ten has established numerous community programs surrounding the Big Ten Men's and Women's Basketball Tournaments, including the Wayne Duke Postgraduate Award Scholarship, the Big Ten Career Fair, the Hoops Day 5K and a partnership with the Pink Ribbon Connection, a local breast cancer organization.

# NCAA COMPLIANCE REGULATIONS

The Ohio State University Athletics Compliance Office is committed to a comprehensive compliance program that educates everyone about the importance of adhering to NCAA, Big Ten, and institutional rules. We strive to create a “compliance conscience” within the university and throughout the community.

The commitment to compliance ensures institutional control over the department of athletics and furthers the mission of The Ohio State University. The existence of a successful compliance program depends on the willingness of coaches, administrators, staff, student-athletes and boosters to be cognizant of NCAA, Big Ten and institutional rules.

## WHAT IS COMPLIANCE?

At Ohio State, the athletics compliance office works within the department of athletics and the university to ensure Ohio State’s compliance with all applicable rules. In doing so, the compliance office is charged with the following tasks:

- Educating administrators, coaches, staff, prospects, student-athletes and boosters about NCAA, Big Ten and institutional rules;
- Developing monitoring systems to ensure compliance with these rules. These systems are designed to monitor rules pertaining to recruiting, academic eligibility, financial aid, awards, extra benefits, ethical conduct, amateurism, agents, employment, occasional meals and the playing and practice seasons for each sport; and
- Investigating and reporting violations of NCAA, Big Ten and institutional rules to the appropriate governing authority.

## ARE YOU A BOOSTER?

You are a booster if you are or ever have:

- Been a member of a booster organization that supports Ohio State athletics;
- Made any financial contributions to any area of Ohio State;
- Made any annual or lifetime membership commitment to a booster organization;
- Been involved with the recruitment of a prospect;
- Provided benefits to an enrolled student-athlete or their relatives or friends;
- Been involved in promoting Ohio State’s athletic program;
- Provided or helped to arrange employment for student-athletes;
- Participated in a group loosely associated with the athletics department (e.g., “Friends Of” group);
- Been a season ticket holder.

## ONCE A BOOSTER ... ALWAYS A BOOSTER.

According to the NCAA, once an individual has been identified as a booster, he or she retains this identity forever.

If you do not meet the definition of a booster, you can still be classified as a booster if you provide benefits to prospects, student-athletes, their relatives or friends and any of the following statements are true.

- The relationship between the athlete (or parents of the athlete) and the individual providing the benefits developed as a result of the athlete's participation in athletics or their reputation as an athlete;
- The relationship began only after the athlete became a prospect;
- The relationship began only after the athlete had achieved notoriety because of his or her athletic ability or reputation; or
- The pattern of giving increased after the athlete attained notoriety as a skilled athlete.

## WHAT IS AN EXTRA BENEFIT?

A recruiting inducement or extra benefit is any special arrangement by an Ohio State University employee or booster to provide a prospect, a student-athlete or their relatives or friends a benefit not expressly authorized by the NCAA. Examples of impermissible extra benefits include but are not limited to:

- cash or any type of gifts;
- loans or cosigning of loans;
- vehicle or the use of a vehicle;
- payment for or arrangement of transportation costs;
- free or reduced cost goods or services;
- free or reduced cost housing;
- concert or sporting event tickets; or
- any item not expressly permitted under NCAA rules

## WHAT ARE THE CONSEQUENCES?

Ohio State is responsible for the actions of its boosters. If a booster provides an impermissible benefit to a prospect, a student-athlete, or their relatives or friends, Ohio State may be subject to penalties, even if the student-athlete has completed his or her eligibility. The prospect or student-athlete who accepts an impermissible benefit jeopardizes his or her eligibility for intercollegiate competition. A booster who provides an impermissible benefit may be disassociated from the university's athletics program. Disassociation results in a loss of all benefits or privileges offered by the department of athletics and may involve other penalties as appropriate.

## GOT QUESTIONS? ASK COMPLIANCE.
